Dear Pastor and Praying Church,

January 2011

It's hard to believe that it is already the start of another year. Meetings slowed down for us during the month of December, but will pick back up toward the end of January. In the meantime I have been working on messages as well as making a lot of phone calls trying to get more meetings scheduled. That is a job in and of itself. Erika and I both have been able to get involved and help out in our sending church during the time that we have been here. I have had the opportunity to preach a few times since we have been back as well as drive one of the church buses on Sunday mornings; Erika has been involved with nursery as well teaching. It is great when we are home to be able to get involved in our church.

We spent Christmas visiting with family in Wichita, Kansas. This trip was a lot different than the trip we made last year during Christmas when we had the snow blizzard. No snow this year. I got sick about two days before Christmas. I thought it was something that I could get over in a day or so, but ended being sick for almost a week and a half. Not sure what I had, but am very thankful to be better. Abigail and Miriam got sick with what I had, but are now feeling better as well.

Please continue to pray for us as we are on deputation. Pray that we will all stay healthy as well as pray for our safety on the road especially during these winter months. When we go out again we will be heading to Arkansas and will be there for a couple of weeks in Missions Conferences. Pray that we can be a blessing to these churches.

Thank you for your prayers and financial support.

Because of Christ,

Joshua Prince
