

The Prince Family Missionaries to Uruguay

Dear Pastor and Praying Church,

January-February 2016

Greetings from sunny Uruguay! It is hard to believe that we are already in the second month of the new year. We pray that you had a blessed Christmas and a great start to the New Year. We are looking forward to what God has in store for us in 2016.

On January 11th Abigail turned 13 meaning we now have a teenager in the house. We do not feel old enough for this to be possible. She has been a blessing to us while on the mission field just like our other girls. When our teammates leave for furlough here in a few months Abigail will be stepping in and helping my wife with the children's class. She is excited and looking forward to helping. This last Sunday she sang a special in church. We are proud that she is using her talents to serve the Lord.

Two weeks ago we had a husband and wife that called and wanted us to stop by and visit them. They found a tract on their door and were interested in learning more about our church. This last Sunday the husband came to the service and said that next week both he and his wife would be back next Sunday. Please pray that they will come back.

Please pray for the church here. We have been looking for a new place to meet for some time now. Currently the church is meeting in the other missionary's home, but is almost filled to capacity. Please pray that God would lead us to find the right place to rent. We have already looked at a couple of places, but they are just not going to work for the church. This week or next we will be looking at another place that looks like a very good possibility to be able to rent.

Thank you for all your prayers and financial support for our family. Please continue to pray for the work here. Pray for souls to be saved and for a new building to meet in. God bless you!!

Announcement: We will be returning for our first furlough at the end of January or February of 2017. If you would be interested in having us come to give an update on our ministry please let me know. I can be reached by e-mail at jprinceuruguay@gmail.com or by phone at 918-698-2872.
