

The Prince Family Missionaries to Uruguay

Dear Faithful Prayer Partners,

January-February 2019

As I write this prayer letter we are in the middle of our summer here in Uruguay. While we have had many very hot days with the temperature well over 90 degrees and the heat index over 110 degrees Fahrenheit, locals tell us that it has been a mild summer. One reason for the milder summer is because we have had so much rain here in Salto. It has rained almost a whole month between the middle of December until now.

Salto is situated on a river right next door to Argentina. With all the rain, the river has risen more than 30 feet above normal, flooding both sides of the river. Both houses and streets near the river are underwater leaving many people that live near the river homeless. Fortunately, the government has provided housing and three meals a day for those that have been affected.

This last Sunday was our first Bible study in our home, we have passed out flyers and tracts, and have tried to make contacts in our neighborhood and the many streets around it. Unfortunately, we did not have anyone show up, but we know the seed has been planted. Please pray for us as we continue to reach Salto with the Gospel and that we will see people come to the Bible Study.

On January 11, Abigail turned 16 years old. Where has the time gone? She is a blessing and help to us and we thank God for her! Please pray for her that she will follow the Lord's will for her life whatever that ever may be.

Thank you for your prayers and financial support for our family! God bless you!

Serving in Uruguay,

Joshua Prince
