

The Prince Family Missionaries to Uruguay

Dear Pastor and Praying Church,

January-February 2020

As I mentioned in our last prayer letter, the Lord has provided us with a building to meet in for services. It is in the downtown area of Salto. Because of its location there are hundreds of people that live and walk by this building everyday! As the money is provided we are making renovations on the building. We have estimated the cost of the renovation to be around \$2,500.00. This would include painting, buying chairs, having a sign put on the building, having a pulpit made, etc. We praise the Lord that at the moment \$1,500.00 has been given toward this goal with another \$700.00-\$800.00 promised. Thank you to these churches and our sending church that have already given. We praise the Lord for your generosity. If you would like to give toward this need you can send it in to the GIBM or if you have any questions feel free to call or e-mail me. I would be glad to answer any questions you may have.

We are looking to have our first Sunday service the second Sunday of March. If you would please pray with us that we can finish all the projects we need to do on the building as well as make contacts and invite people to our church. We want to see souls saved here in Salto, Uruguay, and to see Christ glorified.

Thank you so much for your prayers and for your financial support for our family. God bless you!!

Serving in Uruguay,

Joshua Prince
