

The Prince Family Missionaries to Uruguay

Dear Prayer Partners,

July-August 2015

Greetings from Uruguay, South America. As I write this letter we had just finished our second Bible Club for kids. It was a great afternoon. This month it happened to fall in line with Día del Niño/Children's Day. We had sixteen children present. One girl came forward during the invitation, but in the end was not ready to be saved. The seed was planted though as well as in the lives of many of the children who came. Most who came today was their first time to be in church.

Two weeks ago a group of us from Montevideo went to Santa Clara de Olimar to continue to evangelize and to hold a preaching service in the town. There were 24 in attendance and we saw one lady accept Christ as her Savior. This makes five people that have accepted Christ as their Savior since we started going there. Please continue to pray for this little town that God would continue to work and that souls would be saved. We are planning to return to Santa Clara on Saturday August 29th.

I want to share with you a change in our ministry here in Uruguay. We have been honored to work with veteran missionaries Jesse and Glenna Parnell since we arrived here in August 2 years ago. For a couple of months we have been praying about moving to another area of Uruguay and believe it is the Lord's will that we do so. I am excited to announce that in two weeks my family and I will be moving to the interior of the country to the city of Rocha. We will be partnering with Chris and Erika Cisler who have been missionaries in Uruguay for four years. Please pray for us as we move and for our family to adjust to a new town. Also pray that we can be a blessing to the Cisler Family and the church that they have planted there. Here are a few pictures of the town that we will be moving to.

Thank you for your prayers and financial support for our family. God bless you!

Sowing in Uruguay,

Joshua Prince
