Dear Pastor and Praying Church,

July-August 2017

Vacation Bible School, vehicle problems, Silverstate Baptist Youth Camp, California. This basically sums up our time since our last prayer letter. It has been a really, busy summer, but the Lord has blessed.

VBS: We had the opportunity to help in our sending church's Vacation Bible School in June. I taught the Bible lesson and Erika did the memory verse. We had a great time getting involved. Overall, our church saw over ten children and teens accept Christ as their Savior.

Vehicle Problems: A few days after VBS we headed to Colorado for a couple of meetings. During this trip we broke down twice. The first time was the drive shaft, which we lost in the middle of the interstate. Then we leave the mechanic and make it about an hour down the road and have the same issues. We finally made it to Denver while driving 55mph for about four hours. We were able to get it into the mechanic on Saturday and this time it was the struts, which was something the other mechanic should have caught, but didn't. After two full days at the mechanics we were finally able to get back on the road. We are grateful for Bro. Eric Hargis at Baptist Missionary Transportation Ministry for all his help with the repairs.

Silverstate Baptist Youth Camp: After a couple of meetings in Colorado we spent the week at Silverstate with our sending church. It was an awesome week. Pastor David Hetzer was the main speaker for the week and God used him in a great way to speak to the hearts of all that were there.

One of the evenings we were there, one of the youth workers from our church came and got Erika and I and told us Abigail needed to talk to us. Come to find out Abigail had been struggling with her salvation for several months. She made a profession of faith at the age of five, but just recently has been struggling with it. That evening at camp Erika and I led her to the Lord. We are so excited for her!

California: We are currently in California and have been here now for three weeks. We have already had some great meetings. We have been in two Missions Conferences, one Missions Emphasis Sunday, and two other great churches. Two of these churches were new for us. One of them was North Hills Baptist Church pastored by Pastor Justin Burkholder, a friend of ours. Erika grew up with him and I attended Bible College with him. It was great to spend some time with him and his sweet family. The other new church was Iglesia Bautista de Santa Ana. They are a new church plant. The Sunday we were there was their fourth week to meet as a church. Sunday evening after the service Pastor Ayala told us that they would be taking us on for financial support. Praise the Lord! This makes seven new churches since we have started furlough. God is good! Thank you for your prayers and financial support for our family!

Because of Christ,

Joshua Prince
