

BIBLE BAPTIST TEMPLE

February 29, 2016

Dear Fellow Pastor,

It is my privilege to recommend Bro. Joshua Prince and his family to you as missionaries to Uruguay. I enjoy the unique blessing of pastoring my home church and because of that the Lord has blessed me with many long standing friendships in my life. One of those friendships is with Bro. Prince. Since the time we were teenagers, Bro. Prince has faithfully served in many capacities with a servant's heart.

In July of 2012, the Princes left Tulsa and Joshua attended language school in Costa Rica. After building a solid foundation in the language they arrived in Uruguay in August of 2013. Since that time, they have faithfully served with veteran missionaries and most recently have started helping another missionary family which has allowed them to become even more involved in ministry. Joshua is already teaching and preaching in Spanish and has been a tremendous asset to the missionaries he has served with.

The Princes are returning on their first furlough in early 2017. They look forward to giving a report to their supporting churches, but are also in need of additional support. I believe they would be a wonderful addition to any church missionary family and ask that you would prayerfully consider them for support. They have a desire to establish likeminded Independent Baptist Churches and reach many souls with the gospel of Jesus Christ.

Please feel free to contact me with any questions regarding the Princes and their ministry.

For His Glory,

Pastor Matt Martinez
