Dear Pastor and Praying Church,

March 2011

It is hard to believe that we are already in the month of March. Where has the time gone? We have been very busy the last few weeks with the Missions Conference season. We just finished a great Missions Conference at Pastor Dickinson's church in El Paso, Texas, it was a great week. Bro. Hardy was the main speaker and did a great job. We had a good time getting to know the people of Hillcrest Baptist Church. They are a great mission minded church who truly love their missionaries. What a blessing they were to us.

By the time you receive this letter we will have just finished a Missions Conference here in Altus, Oklahoma with Pastor Hawn. God has really blessed the Missions Conference thus far. As I write we are already three days into the Missions Conference and so far have seen one boy get saved on Wednesday night. Praise God! I don't believe that God is finished working in this Conference. This week someone in the church answered a prayer request that we had been praying about for some time. Miriam had needed her eyes checked and new glasses for a while and someone in the church here provided for that to be done. That was truly a blessing!

Pastor Hawn has really been challenging the people this week for 100% participation in Faith Promise. Could you imagine how great that would be if every member of every Independent Baptist Church in the United States got involved in Faith Promise Missions? Just think of the money that would bring in for Missions and how that would cut down on the deputation for the missionary so they could get to their Mission Field sooner, just something to think about. Thanks to those that ARE doing their part for Faith Promise by the grace of God.

Thank you as always for your prayers and financial support. Our support level has gone from 47% a month ago to now 57%. Praise the Lord for the increase.

Because of Christ,

Joshua Prince
