

# The Prince Family Missionaries to Uruguay

Dear Pastor and Praying Church,

March-April 2016

Since our last prayer letter we have had some exciting things take place here in Uruguay. About a month ago we had a baptismal service and baptized four people. I had the blessing to be able to baptize our daughter Miriam. She was saved in Costa Rica, but was not able to be baptized there. She has been asking for quite some time if she could be baptized. It is great to see her willingness to follow the Lord in Believer's baptism. Here is a group photo with those who were baptized along with Pastor Chris and myself.

Every year the week before Easter, Semana Santa, a group of churches get together and have a family camp. We were able to participate Monday-Wednesday of the camp. There was close to 40 in attendance with five churches present. It was a good time of preaching, fellowship, and meeting new people. The speaker for the week was a missionary to Buenos Aires. It was a blessing to get to know him and his family.

On the Friday after family camp the Friday before Easter our church had a special service. We had a Jewish pastor and his family from Montevideo, who came and sang and then he taught on the events that took place the week of Jesus' crucifixión and then we had a Jewish meal afterwards. It was good and very well explained. There were approximately 30 in attendance.

Thank you for your continued prayers for the work here and for our family. By the time I write our next prayer letter our teammates will be back in the States for their furlough. Please pray for this transition as we take over the work while they are gone. We are excited about this opportunity to be a help and blessing to another missionary.

I know I put this in our last prayer letter, but wanted to mention this again. **We are planning our first furlough for January 2017-January 2018.** I can be reached by e-mail at: [jprinceuruguay@gmail.com](mailto:jprinceuruguay@gmail.com) or by phone at: 918-698-2872. If you would like for our to give an update to your church please let us know. We would be happy to try to schedule to be in your Missions Conference or a church service. I am already scheduling and set a few meetings already. Also please pray that the Lord will open up the door for us to get into some new churches. We are needing additional support. Thank you!
