

The Prince Family Missionaries to Uruguay

Dear Pastor and Praying Church,

May-June 2015

We are excited to be serving God here in the country of Uruguay. Winter is approaching, the temperature is getting colder, but work of God continues. Three weeks ago a few of the men from the church, two men from other churches and I went to the town of Santa Clara de Olimar which is about four hours northwest of the capital city of Montevideo. We went there with the purpose of evangelizing. One of the men grew up in the town and still has family that lives there and has a burden to reach the people with the Gospel. The town has a population of about five thousand people. It poured down rain the whole day we were there. We door-knocked for about two hours in the rain. In the end we saw three people saved. I am excited to share that one of these that were saved was my first person to lead to the Lord here in Uruguay. I feel blessed to be able to serve God here.

On Saturday June 20th we will be returning to the town of Santa Clara de Olimar to have a preaching service and to show an evangelistic film. Please pray for this Saturday that we will have a good turnout of people from the town. I know that one of the buildings in the town has been rented for us to hold a service in. When we were there a few weeks back there were several families interested in attending. Please pray that we will see more people receive Christ as their Savior.

Another blessing that I would like to share concerns our Visas. We have been here almost two years and have had to leave the country a couple of times or get an extension on our passports. About three weeks ago our passports were returned to us with a stamp showing that we have been approved. The only other things we are waiting on now is receiving a Uruguayan driver's license and a card that shows we are legal.

Thank you for all your prayers and financial support for our family. We do not take for granted the prayers for our family and the sacrifice you make as you give to Faith Promise Missions. Please continue to pray for us here as we continue to do the will of God in our lives. God bless you!

Sowing in Uruguay,

Joshua Prince
