

# The Prince Family Missionaries to Uruguay

Dear Pastor and Praying Church,

September-October 2014

I Thessalonians 5:18 states, ***"IN EVERY THING GIVE THANKS, FOR THIS IS THE WILL OF GOD IN CHRIST JESUS CONCERNING YOU."*** We found out about three weeks ago that our insurance company would be reimbursing us 100% for what we were out financially for Erika's surgery. Living here in Uruguay anytime you go to the hospital they expect you to pay the bill up front then work with the insurance later. When we talked to Samaritan Ministries, about what Erika needed and why she needed it, they made it sound like there was a possibility that they may not cover her for the surgery. We knew since Erika was bleeding internally that it was a very serious matter and it could not be put off. Financially, it overwhelmed us at the time, but praise the Lord that he takes care of his children. We praise God that we had the finances to pay for the surgery to start with, but at the same time we are thankful that the Lord allowed the insurance company to reimburse us what we were out. God also used an individual person to be a tremendous blessing through a generous gift given to our family, God always provides a way and delights in caring for us, Amen!

About three weeks after Erika had surgery we went to Salto, Uruguay about six hours north of Montevideo in the interior of the country to minister in a church. We also used this time to go across the border into Argentina and renew our passports. We spent a couple of days in Argentina before ministering in the church in Salto on the weekend. It was good to spend time as a family. We used this time to recuperate after what we went through a few weeks prior dealing with the loss of our babies and what Erika had to go through with the surgery.

That Friday morning we left Concordia, Argentina and headed back to Salto, Uruguay for the weekend. Because of car problems Pastor Cattani had informed me Thursday that he may not be able to make it for the weekend. Friday evening the people in the church wanted to get together and asked me to share my testimony and then have dinner. We had a good time of fellowship and talking and getting to know the people better in the church. It was a blessing to see some that had gotten saved the last time I was there come Friday evening. Saturday we found out Pastor Cattani was not able to come at all. Since he was not able to come I was asked to preach that evening and enjoyed doing it. On Sunday we had a great time in the Lord's house. One of the men in the church preached that morning There were about sixty in attendance and the altars were full during the invitation. We are thankful for the opportunity we had to be able to minister in the church in Salto.

Since our last prayer letter we celebrated birthdays of two of our daughters: Miriam and Lydia. Miriam and Lydia turned two on the 2nd of September. We were able to celebrate Lydia's birthday with other missionary families who also were celebrating birthdays of their precious children God has entrusted to us, to raise to give

turned 7 on the 3rd of August birthday at McDonald's with a children. We are indeed grateful back to Him.

Please continue to pray for the church here in Tres Cruces we celebrated children's day on Sunday August 10th and had fifteen children present on that day. The church in Salinas came over that morning and joined us for services. We also had a family visit that day. We are planning some exciting things for spring and summer please pray that we can reach out to the children here in the area and see many come and receive Christ as their Saviour. Thank you so much for your prayers and financial support. We never want to take for granted the prayers and financial support from our supporting churches. God Bless You!
