

The Prince Family Missionaries to Uruguay

Dear Pastor and Praying Church,

September-October 2015

We have officially been here in the city of Rocha for one month. Living here in the interior of the country in a small town with a population of approximately 25,000 people is a lot different than living in the capital city of Montevideo where the population is 1.5 million. It is definitely easier getting around town with less people and less traffic on the streets. Something else we have learned since we have been here is that people make time to talk whether on the streets or in the stores. It is not uncommon for us to go to the little grocery stores to buy a few groceries and have a 10-15 minute conversation with the cashier or with one of the store employees. It is a great way to develop a relationship with the people here and be able to share the Gospel message with them.

Just after moving here we had our first Children's Bible Club. This first one was just a way for us to get to know the kids and vice-versa. We had 23 in attendance with ages ranging from 5-12 years old. This is a great opportunity for us to be able to share the Gospel and get to know the children in the area. We will be doing this on the first Saturday of every month. As I write this we just finished our second Children's Bible Club with 25 in attendance. We are excited to be able to teach these children about the Lord and to be able to show them how blessed and exciting a life lived for Christ can be. Our girls really enjoy these Bible Clubs as well, to see them make new friends is truly a blessing for us as parents.

Thank you for your continued prayers and support for our family. Please pray for us as we minister here in the city of Rocha. God bless you!
