

# The Prince Family Missionaries to Uruguay

Dear Faithful Prayer Partners,

September-October 2016

Greeting from Uruguay where the calendar says Spring, but the temperatures are still very chilly. People who have lived here all their lives have commented to us how exceptionally cold it's been this year, and we whole-heartedly agree! It has been a cold and long winter.

I thought we would do something this letter that we have never done before and let Erika write and tell you about the National Ladies Meeting that just happened on September 17. Every year for 24 years the different churches all over the country host a ladies meeting one Saturday in September. This year a National Pastor's wife, Claudia Gonzalez who is a dear friend of mine, hosted the meeting in the town of La Paloma.

When the ladies of our church in Rocha and I walked through the door we knew this meeting was going to be unique. We were given mesh vests in one of five colors and that assigned us to teams. Our first order of business was games on the beach. After several games, there was a bit of time for the ladies to walk along the beach and get to enjoy God's beautiful creation and fellowship together.

After a yummy lunch of beef or fish milanesa sandwiches. We started off with a skit about how the devil can come into your life and use things that are good to try to trip you up, but trusting and praising our God to give you the victory and not give place to the devil. Then a dear lady from Argentina brought the lesson that was a real blessing out of Philippians 4:4, "**Rejoice in the Lord always: and again I say, Rejoice.**" She brought up many excellent points about how in our lives we are going to go through storms and sometimes they will be small or big but we have to not hold onto our anger and allow Satan to get a foothold in our lives. We have to illuminate our hearts with prayer and our minds with the Bible and live our lives to serve the Lord.

These meetings are a time of fun, fellowship, singing and being built up in

Christ. Another blessing for me was that Abigail is finally old enough to be able to attend as well and have a memorable first national ladies meeting, I want her to have the benefit of learning from these wonderful Christian ladies, as she is growing into a lovely woman.

Hope you have enjoyed the different letter and a peek into the feminine side here. Joshua was kind to let me have this letter, but rest assured he can have his letter writing duty back! Thank you so much for all of your support and love and especially your prayers for us, they are appreciated more than you know!

Bendiciones,
