

The Prince Family Missionaries to Uruguay

Dear Pastor and Praying Church,

May-June 2019

Greetings from Uruguay! The lockdown is starting to ease up here in Uruguay! This past week the government has opened our shopping mall. Other stores and businesses are slowly opening back up in our town. The borders are still closed in our country and will probably continue to be for several more months. We've heard from a friend that the government is looking to open our borders up possibly in October, November or March of 2021.

However, just a few days ago there was a huge answer to prayer that churches will be able to start meeting again a week from Sunday, which is the 21st of June. Praise the Lord for this! There is a page and a half of guidelines that we must follow in order to have services. Please pray for wisdom as we work through some of the details and try and get everything done that they want us to.

With all that is going on in the United States right now, we have been praying and will continue to pray for each of you and your ministries. We are thankful for the grace and goodness of God and that through all the storms and troubles of life we have an anchor that keeps the soul! Thank you for your continued prayers and financial support for our family! God bless you!

Serving in Uruguay,
